

## ■ SPANISH LANDING PARK

*San Diego, California*

Spanish Landing is a National Historic Landmark, commemorating the 1769 meeting of the Gaspar DePortola and Father Junipero Serra expeditions. In 1971, the Federal Lands to Parks Program facilitated the transfer of this 21-acre site along San Diego Bay from the Navy to the Port Authority of San Diego for the creation of Spanish Landings Park. The park features a pedestrian path, bike route, picnic tables, benches and the Callaway Carillon bell tower. The park also provides fishing access to the bay and beautiful views of the San Diego skyline. The Port Authority manages the park as part of a system of fourteen parks totaling 250 acres and 10 miles of pathways around San Diego Bay.
